We invite you to a summer adventure with us!

We are a Christian Camp and we are excited about helping children and teens grow in their love of life and the good earth—to grow in friendship with others and with God.

At Camp we hike in the Beartooths; we play wide-ranging games like capture the flag, as well as quiet games; we go on short mission projects to help others; we design and make crafts; we go rafting or swimming; we eat great food; we talk about and learn about life through daily Bible Study with one another; we tell stories and sing around the campfire and much, much more.

Westminster Spires Camp

Westminster Spires Camp is a ministry of Yellowstone Presbytery. This beautiful camp located seven miles south of Red Lodge, Montana, on Highway 212, provides a traditional camp experience along the shore of Rock Creek and at the base of Westminster Spires. The facilities include three dormitory style cabins, four staff cabins, a building for crafts, worship and presentations, a dining hall, and a building with showers and bathrooms for men and women. The camp is designed to comfortably accommodate 50 people.

Westminster Spires is located at the base of the spectacular Beartooth Highway which leads to the northeast entrance of Yellowstone Park. The camp has easy access to fishing, hiking and backpacking in the Absaroka Wilderness and is within close driving distance to rafting on the Stillwater River. This quiet mountain setting is the ideal location for groups, families or individuals to enjoy the beauty of nature, spend time in fellowship with friends, worship, study and recreate in one of the most beautiful parts of the Rocky Mountains, or simply spend time in silence and solitude.

This seasonal camp provides a youth camping program during the month of July. Donations of time, talents, in-kind donations of equipment and supplies and/or financial gifts help support this ministry. Volunteers serve as staff for the camping program and assist in maintaining the property and facilities. Financial support is utilized to upgrade equipment, provide basic supplies and to supplement the camp program. If you would like to participate in, or support this ministry in any way, please contact Curt Kochner at 406-259-7368, or by email at ckochner@mcn.net
