THANK YOU!!

Thanks and appreciation go out to all who supported a blizzard of events this past week: three piano recitals (and a piano move); the International Labyrinth ceremony; the piano concert by the Czechmates (Betty and Mary); and the Sunday worship service with George Goodrich and special music. Everyone pitched in to make each of the events a success. We are blessed by a community who share and support one another. Thank you all."

Don't credit this to me,
